Apologies As Attendance Book (10)

Guest Speaker Doctor Benny Alcorn addressed the members outlining the history of our area both pre and post European. She related how the use of the land had changed from horse raising and dairy farming to tourism and residential. She retold some of the hardships her ancestors had encountered including a 1893 flood over 2 metres deep at the corner of Ocean Drive and David Low Way.

She detailed the time line of the building of the Resort and the residential community which was completed in 6 years which was 4 years earlier than anticipated.

Merryl Berry moved a Vote of Thanks to Dr. Alcorn.
