Telstra Mobile Reception

There has been an amazing response to our query about satisfaction levels with Telstra mobile reception in Twin Waters. Many are dissatisfied and without resolution of their issues. Now that we are aware of the problem we will be seeing what can be done. At the time of going to press, this is still a "work-in-progress" and we will keep you advised (with TWRA members advised immediately by email). Just an update on the present situation. Twin Waters is essentially serviced by four mobile phone tower facilities - to the south is the facility on the Roof of Banyandah Towers on Bradman Ave; to the west are the mobile towers at the old toll booth on the Motorway Exit (one is Telstra, the other Optus); to the north is the tower at the SunBus Depot at the Airport; and to the east is a joint Optus / Telstra Mobile Tower in amongst bushland to the rear of the Apex Camp in Nojoor Road. All four facilities cover Twin Waters but the most dominant facility in terms of coverage is from the roof of Banyandah Towers mostly due to its height and variety of spectrum antenna. All four towers servicing Twin Waters are in the process of major upgrades which will increase 4G coverage and may also resolve some of mobile reception issues.

Anzac Day

Mudjimba RSL Sub Branch will conduct ANZAC Day services at Power Park Mudjimba this ANZAC Day, Friday 25th April.

The Committee and Members take pleasure in inviting you to participate in one or both of the services. Timings: Dawn Service - commencing at 05:30am. Main Service - commencing at

11:00am following the traditional march which steps off at 10:45am.

There will be a luncheon at the Sub Branch rooms at 43 Cottonwood Street, Mudjimba following the main service with entertainment for the afternoon provided by The Jazz Factory.

Anzac Biscuits

Why not try this recipe from the 1947 CWA Cookbook?

1 cup plain flour	1/2 teaspoon bicarbonate soda dissolved in 1 tablespoon of boiling water
1 cup sugar	
1 cup rolled oats	
1 cup desiccated coconut	
1/4lb (113g) butter	
1 tablespoon syrup	

Melt butter and syrup in a saucepan, add soda and water. Pour over dry ingredients and mix well. Drop pieces the size of walnuts on a greased tray and bake slowly (about 12 – 15 minutes) till a golden brown. Leave on tray till cooled.

Our Community Noticeboard

Sometimes the Noticeboard at the shops looks quite untidy. This reflects on our Community. Here are a few guidelines to keep it neat.

- Keep your notices to A5 (This is half A4 size)
- Only one business card/notice (Business cards on the left hand side)
- Bring your own pins and put one in each corner.
- Do not put your notice over another notice
- All notices should be dated and will be removed after 1 month.

Cent Auction

Maroochy North Shore Lions are holding their Club's famous "Cent Auction" once again on Easter Saturday 19th April in the North Shore Community Centre, David Low Way Mudjimba. Commencing at 6.30pm with a BBQ and the "Cent Auction" starting at 7.00pm. Funds raised this year will

go to the "Finn Smith Appeal" to help a local baby struck down by the Meningococcal virus resulting in amputations of his lower legs and one hand. Come along and have a great evening on Easter Saturday and assist a local family along the way. For further information ring Lion Carol on 54505721

Annual TAFE Dineout

Tuesday 13 May at 6p.m. If you wish to attend please call Ed on 5448 9414 before 6 May.

Give Way Sign at Anchorage

As a result of representations by the TWRA, Councillor O'Pray has advised that SCC will install a Give Way sign and associated line markings at the intersection of Anchorage Circuit with Baywater Drive. This will reduce the hazard of motorists not slowing at that intersection as they exit Anchorage Cct to join Baywater Drive. Thank you to Cr O'Pray and Council for responding to an expressed community concern about that potential safety hazard.

Barking Dogs

There have been reports of many neighbours and friends being disturbed by continual barking. One starts, and sets off the others. The Council advise there is a fine for this and we remind responsible owners that it applies to both day and night. If this is a problem for you firstly let your neighbour that this is happening in their absence. Owners can purchase "barking collars" online for a little as \$97.

Novotel Twin Waters Resort Development

Abacus, as owners of the Novotel Twin Waters Resort, are contemplating preparation and lodgement of a Development Application for approximately 133 multiple dwellings over part of two undeveloped sections of the resort site. Final dwelling unit numbers are not yet determined. Consultation and a pre-lodgement meeting have already occurred with Council. A representation of TWRA has also attended a briefing on the proposal. In coming weeks the project team will be attending the site with Council personnel to assess the potential visibility of any proposed buildings from key vantage points around Twin Waters and in particular along North Shore Road and from the adjoining beach front. This will involve locating a cherry picker on the site at varying locations and at varying heights; after which plans of the preferred option will be finalised and made available for comment.

Tightening the Screws

An initiative of the Queensland Police Department is to have number plate screws on your car fitted so they cannot be removed by criminals. (They substitute the plates so they can use their car to commit offences with your number plate) Neighbourhood Watch are organising a joint project with North Shore Lions and Twin Waters Residents to fit these screws. We need lots of people to help. It will be conducted on a Saturday morning in May. If you can help, contact Ed 5448941

Twin Waters Home Insurance

Again as a follow-up to last month's item regarding recent increases to home insurance premiums, nobody with the experience or skills to assist us has volunteered so unfortunately we will be unable to investigate this further. The only advice we can offer is to "shop around" if you think your home insurance premiums are excessive.
